"What I had envisioned for this project was to relive my childhood and look beyond the modern transient world by cherishing our rich culture, spirited dances, scintillating folk art, delectable cuisine and reminisce the unspeakable familial bonding. Today when I see Sadda Pind, I feel as if we have done justice to it."

MISSION MAKER

"We took up the challenge of creating the most authentic mirroring of the true colours of Punjab by seeking out artisans, craftsmen, performers and creating sustenance for them, with them. Each day, the appreciation and admiration that our guests show adds to our enthusiasm and confidence."

The art of Punjab is unique, lively, loud, colorful and beautiful. But I should not be worried that our traditions are disappearing, because Sadda Pind is keeping them alive in their full glory. There is something special about this place. I bless the entire team of Sadda Pind.
